

GEWISS

Elia is the family of GEWISS products designed for **fast and easy installation** and **with a 5 year guarantee**.

Elia CL – Ceiling Led - is the circular surface-mounted indoor luminaire for the service industry. Entirely made in polycarbonate, it guarantees excellent performance with an elegant and compact design.

The advantages of ELIA CL

Relamping

The ELIA CL range offers excellent efficiency/cost, for the replacement of conventional lamps, with a quick payback.

Quality guarantee

ELIA CL is one of GEWISS' high quality LED luminaire ranges, designed to guarantee maximum reliability and innovation, in terms of individual components and product quality.

Easy installation

ELIA CL is designed to allow easy installation thanks to the "twist & lock" system. Just fix the base to the wall or ceiling and attach the cover with a simple twist.

Versatile

ELIA CL is also available with a motion detector Sensor or with Emergency Lighting. All this provides security, comfort and energy savings.

Payback example - flight of stairs project 100 lx

- Calculation base: replacement of 40 traditional lighting fixtures
- Operating period: 3,500 hours per year
- ROI (Return On Investment): less than one year and half

Energy cost: source Eurostat
